## A Textile Guide to the Highlands of Chiapas: Gua Textil de los Altos de Chiapas

Walter Morris Jr. : A Textile Guide to the Highlands of Chiapas: Gua Textil de los Altos de Chiapas before purchasing it in order to gage whether or not it would be worth my time, and all praised A Textile Guide to the Highlands of Chiapas: Gua Textil de los Altos de Chiapas:

5 of 5 people found the following review helpful. A Textile Guide to the Highlands of ChiapasBy Carolyn B. KnoblerThis is a small, but very informative guide to the clothing of villages of Chiapas where villagers can still be

identified by their typical blouses, dresses, shirts, etc., that are still being worn. In many cases the images on these textiles date back even to pre-Columbian times. Chip Morris gives examples from many villages and also discusses the meaning of various symbols used, as well as the types of weaving used. The information is easily found and the pictures are very good. This book was purchased from in an easy transaction and the book was well-packaged and promptly delivered. 1 of 1 people found the following review helpful. Excellent source. FYI if you stay at Na Balom ...By Judith A. Kugle Excellent source. FYI if you stay at Na Balom you might meet the author.

A richly illustrated, bilingual book, this guide visits 20 villages in the Chiapas Highlands to showcase their stunning handwoven cloth while also providing an insiders look into their history, folklore, festivals, traditions, and daily lives. Ritual transvestites, Virgin statues draped with native blouses, tunics designed to look like howler monkey fur, and elaborately floral shawls and ponchos these are just a few of the unforgettable images captured in the book. Also included are a pull-out map of the Chiapas Highlands and dates of special festivals and local markets.
