**Ya'akov Meshorer : A Treasury of Jewish Coins : From the Persian Period to Bar Kokhba** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Treasury of Jewish Coins : From the Persian Period to Bar Kokhba:

Originally published in Hebrew, A Treasury of Jewish Coins was awarded Israel's literary achievement Ben Zvi Prize in 2000. This new volume replaces Meshorer's classic Ancient Jewish Coinage (Vols. I II) in a single book, fully expanded and updated as a new work and comprising all of the latest theories and information in this field. 80 pages of photographic plates showing top examples of each ancient Jewish coin type; hundreds of drawings and photos in the

margins throughout the book, which enhance the pleasure of reading and studying these coins.
