Antique Jewelry: 6th Edition (Official Price Guide to Antique Jewelry)

Arthur Guy Kaplan : Antique Jewelry: 6th Edition (Official Price Guide to Antique Jewelry) before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Jewelry: 6th Edition (Official Price Guide to Antique Jewelry):

0 of 0 people found the following review helpful. but still a goodBy Adam Bentonolder book, prices have changed since it was written, but still a good source1 of 1 people found the following review helpful. Lots of InformationBy Jon BorelloI have been selling jewelry for awhile now, have looked at many different books, but this one had a bountiful amount of information. It really helped me when describing certain pieces. Would recommend it.0 of 0 people found the following review helpful. old outdatedBy julie earlTerrible old book with no details and lousy black and white picturesWorst book on jewelry ever im returning it

Antique jewelry has long been considered the perfect collectible. Now, this professional-level collector's guide, completely revised and enlarged, offers a unique pictorial review of the world of antique jewelry. Updated with over 4,000 black-and-white photos, this reference has no peer in terms of comprehensiveness, quality, and usability. Two hundred years of jewelry -- from 1750 to 1950 -- are represented here, with a special emphasis on nineteenth-century effects. In addition, for the first time, an informative section on popular and valuable Retro jewelry -- from the late 1930s to the late 1940s -- is included to provide a complete picture of the wide range of antique jewelry. "Not only does it monitor the market, The Official Identification and Price Guide to Antique Jewelry serves as an invaluable reference work for over 200 years of jewelry.

From the Inside FlapAntique jewelry has long been considered the perfect collectible. Now, this professional-level collector's guide, completely revised and enlarged, offers a unique pictorial review of the world of antique jewelry. Updated with over 4,000 black-and-white photos, this reference has no peer in terms of comprehensiveness, quality, and usability. Two hundred years of jewelry -- from 1750 to 1950 -- are represented here, with a special emphasis on nineteenth-century effects. In addition, for the first time, an informative section on popular and valuable Retro jewelry -- from the late 1930s to the late 1940s -- is included to provide a complete picture of the wide range of antique jewelry. "Not only does it monitor the market, The Official Identification and Price Guide to Antique Jewelry serves as an invaluable reference work for over 200 years of jewelry.
