Antique Maps

Carl Moreland, David Bannister : Antique Maps before purchasing it in order to gage whether or not it would be worth my time, and all praised [Antique Maps](#):

2 of 2 people found the following review helpful. This is only for someone who is into collecting maps ...By Michael GrahamThis is only for someone who is into collecting maps or has an academic interest. Almost all maps are black and white.0 of 0 people found the following review helpful. [Antique Maps](#)By Odile FoulquiI gave this to a friend for Christmas. He really appreciates the quality of the drawings and the information. Thank you.3 of 4 people found the following review helpful. [The Cover May Be the Most Interesting of All](#)By R. S. HazzonThe first disappointment was the size of this book but the cover looked inviting and was excited about it.unfortunately this is a mostly black and white book with about six color maps stuck in the middle which are overcolorized and look cheap. The maps themselves are interesting but not engaging enough for me without the color and size of images that I enjoy.

Antique Maps is now firmly established as a definitive reference work. With extensive information on the general historical background, details of all the major map-makers and practical advice on collecting old maps, it provides an excellent introduction for the beginner as well as a mass of precise and clearly organized information for the expert and the serious collector. A beautiful edition in itself, this timeless volume evokes the elegance of maps from the past and the charm of all the distant places they suggest, to show them not only as historical artefacts but also as works of art.

"An absolute winner of a book. An excellent general introduction to antique map collecting."-Books, Maps and Print
About the Author Carl Moreland is a Fellow of the Royal Geographical Society. David Bannister has been a dealer for over 20 years, handling antique maps, prints and atlases. He regularly lectures on the subject, and has made a number of television appearances and radio broadcasts.
