By Jade StalkI have been buying and selling items for years and this is my go to book for many items. A must for any dealer or serious collector. Well put together with plenty of pictures. If your only going to buy one or two reference books each year I feel this is the one to start with for an assortment of items. A good idea to select another specific to the items you are particularly interested in. Just as a note, my very first issue keyed me into an item that I ended up coming

across at an estate sale. I purchased the item for a very low amount and sold it for a substantial profit and this would not have happened without having purchased this book.8 of 8 people found the following review helpful.
