Antique Trader Pottery Porcelain Ceramics Price Guide

Kyle Husfloen : Antique Trader Pottery Porcelain Ceramics Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Antique Trader Pottery Porcelain Ceramics Price Guide:

0 of 0 people found the following review helpful. Excellent Book..great price!By Doctor John GI absolutely admire the hard work the author put into this volume. Sadly, I think the scope of his task was far too wide to make it useful to any great degree. While it include a great variety of collectible items, many of the mid-range items are ignored which leaves the less than obsessed buyers among us a bit disappointed.1 of 1 people found the following review helpful.

Happy me!By A.B.Very good book in perfect condition. Content is very useful and helpful. Love it and will

recommend to everybody who's looking for information about pottery. 0 of 0 people found the following review helpful. The pics are amazing. If U r a beginner it guides U ...By Felicia Jenkins Loving this book. The pics are amazing. If U r a beginner it guides U to finding what U r looking for. Very Helpful book. Highly recommend !!

The new 3rd Edition of our popular Ceramics Price Guide presents completely updated and revised information on all major categories of pottery and porcelain, including American, English, European and Oriental wares. Covering the major manufacturers and types from the 18th century to the late 20th century, many expert special consultants have shared their knowledge to insure that this is the most accurate and detailed ceramics guide available. Detailed descriptions of thousands of pieces, supplemented by detailed photographs, help to make this ceramics reference invaluable to all collectors, dealers and appraisers. Special features include: Accurate and up-to-date pricing for thousands of individual items A special shape-outline guide to common ceramics shapes More than 125 sketches of markings used on ceramic wares A special 16 page full-color supplement New categories of "hot" ceramic collectibles An introductory guide to the collecting and care of ceramics Helpful Appendices and a Select Glossary of Ceramics Terms
