If you have a fantasy of being born an Italian aristocrat, this is the book.These exteriors and interiors are authentic houses lived in for centuries. Of course they have been updated since the 1700's but always with an eye for keeping the grandeur intact. I am an interior designer and I love looking at authentic interiors. The antidote to Tuscan style farmhouses.

Gorgeous photography and layouts.3 of 4 people found the following review helpful. Fantastic!!!By Kevin W. MeredithAbsolutely fabulous!!! Beautiful from the first page on!!!7 of 8 people found the following review helpful. The best of interior photographyBy Philip BewleyI have a very large design library. This is one of the most beautiful examples of interior photography I have ever seen. I highly recommend both this book and Volume I of this series.

Antiques in Italian Interiors, Volume II presents a collection of extravagant classic Italian interiors that house marvelous collections of artwork and antiques.
