Art Pottery of America (Schiffer Book for Collectors)

Lucile Henzke : Art Pottery of America (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Art Pottery of America (Schiffer Book for Collectors):

This is a completely new study of American art pottery by the author of the leading, pioneer. Arranged alphabetically by the potteries, the text includes important historical data, photographs of each potterys representative forms, a complete series of the identifying marks, and a newly updated price guide. Here the novice as well as advanced collector will gain knowledge to help identify and interpret the art pottery produced in America from the late nineteenth and early twentieth centuries.
