There are several projects that I am planning to do over the next few months. Ashford is a great company.Anthony0 of 0 people found the following review helpful. Good BookBy L. L.Happy to find this. I had finished putting my loom together and this was a big help to prepare me for the next step- weaving.0 of 0 people found the following review helpful. Great book!By PatGreat book for a beginner.

This book is Ashford's comprehensive guide to weaving on a four shaft loom. It is an incredible resource for beginners and a helpful reference for the more advanced. It covers how to warp your four shaft, finishing techniques, a wide variety of patterns and their tie-ups, and so much more. This book offers everything you need to begin or expand your weaving style.
