[Mobile book] Basic Basket Making: All the Skills and Tools You Need to Get Started (How To Basics)

## **Basic Basket Making: All the Skills and Tools You Need to Get Started (How To Basics)**

**From Stackpole Books : Basic Basket Making: All the Skills and Tools You Need to Get Started (How To Basics)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Basic Basket Making: All the Skills and Tools You Need to Get Started (How To Basics):

1 of 1 people found the following review helpful. Basic Basket Making Skills and Tools You Need to Get Started By iBarbi This is a beautiful "how-to" book with step-by-step photographs to help you make lovely baskets. If you want to make reed baskets, this is the book. I have no doubt I could learn to make baskets by following the pictures and instructions presented. My only criticism is I am not particularly interested in making reed baskets. I have a large supply of grape vines, and I was hoping to find a use for them. While I am certain I could adapt the techniques presented in this book to my materials at hand, it would have been more helpful to me if there was even one example

of a basket using grape vines or something similar. I was hoping the book would demonstrate techniques for working with a variety of materials. Rather it provides instructions for a variety of baskets all using essentially the same materials. 20 of 20 people found the following review helpful. Basic Being the Keyword By Rich Good information and very easy to follow step by step projects. The only down side is that the information is VERY basic. If you have any experience with basket weaving you can probably skip this book. 0 of 0 people found the following review helpful.  
Five Stars By Vanessa Richards Excellent

Step-by-step instructions complete with detailed color photographs Includes a chapter on dyeing reed at home 4 basic basket projects for the beginning weaver The art of basket making is described in detail for the beginning or experienced weaver. Complete with a chapter on tools and materials to get started, this easy-to-use guide explains and illustrates how to weave reed, incorporate premade handles, finish basket rims, and a host of other basket-making techniques. It also contains a chapter on dyeing reed, a simple and cost-effective way to obtain desired colors and results. Complete instructions for making a Flared Bun Basket, Small Market Basket, Napkin Basket, and Easter Basket teach necessary skills.

From the Publisher Hidden spiral binding so book will lay flat. 640 color photos. About the Author Linda Franz is a writer and reporter in Carlisle, Pennsylvania.
