Basic Rug Hooking: All the Skills and Tools You Need to Get Started (How To Basics)

Judy P. Sopronyi : Basic Rug Hooking: All the Skills and Tools You Need to Get Started (How To Basics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basic Rug Hooking: All the Skills and Tools You Need to Get Started (How To Basics):

12 of 12 people found the following review helpful. great for first time hookerBy SyndrellaThe format of this book is my favorite, spiral-bound, great close-up, step-by-step photos....perfect for me, I am a hands on learner.Just enough description and nice amount of further resources listed. Love it.9 of 9 people found the following review helpful. Great "beginner's" bookBy Russian Blues "mom"I took a class in primitive rug hooking plus purchased this book to get started. The pictures are wonderful. The book explains the entire process and what is involved. There are references in the back in regards to materials and resources. I would highly recommend this book if you are interested in learning this wonderful craft. I am unable to just sit and watch TV but must be doing something creative. This craft is very

fulfilling and this book will help you to get started! It begins with a very small project and progresses with each chapter to a more challenging project. 13 of 13 people found the following review helpful. Excellent book
By MTW602I am a novice at rug hooking and this book showed me exactly what to do and answered some of my questions. I am not taking a class because I have no time in my schedule for that -- this book is teaching me basics. Definitely worth the money.

From its humble beginnings--a bent nail, burlap feed bag, pair of scissors, and the good parts of worn-out wool clothing were the original tools--rug hooking has developed into a fine art form that allows crafters to create beautiful, complex designs with an array of high-tech tools. Basic Rug Hooking distills the essential tools and techniques of this popular traditional craft and walks the reader through 5 rug-hooking projects, including a table mat, a project suitable for framing, and wearable pins, as well as traditional rugs. Rug-hooking tools and materials summarized and explained Step-by-step instructions and photos show in detail how to hook Tips to help you develop and refine your skills
