Kathie Ballard : Basket Weaving Beds Bassinets (Pat Depke Books, PD 8018) before purchasing it in order to gage whether or not it would be worth my time, and all praised Basket Weaving Beds Bassinets (Pat Depke Books, PD 8018):

The bassinets and cradle projects in this book have been designed for the person who has some basic basket weaving skills. Projects include a doll carrier with handles, mini bassinets, teddy bear bed, doll chairs, large doll bassinet, full-size bassinet cradle, and a baby cradle.
