Beckett Almanac of Baseball Cards and Collectibles with Cards (Beckett Almanac of Baseball Cards Collectibles)

From Brand: Beckett Publications : Beckett Almanac of Baseball Cards and Collectibles with Cards (Beckett Almanac of Baseball Cards Collectibles) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Almanac of Baseball Cards and Collectibles with Cards (Beckett Almanac of Baseball Cards Collectibles):

6 of 6 people found the following review helpful. Great Reference, Why Publish The Beckett Annual?By MadMacsAn absolute must for the advanced collector.This comprehensive volume combined with Krause's Annual Standard Catalog Of Baseball Cards, are the two most important tools for anyone serious about baseball card collecting.My only gripe is Beckett simultaneously publishing their inferior 'Baseball Annual' at the same time. It's clearly inferior to their Almanac and borders on customer abuse offering a "lite" version for the ignorant just to make more money.Still, that problem issue aside, the Almanac is a must-have if you're going take your collection to the next level.
