Beckett Baseball Card Alphabetical Checklist

From Brand: Beckett Pubns : Beckett Baseball Card Alphabetical Checklist before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Baseball Card Alphabetical Checklist:

0 of 0 people found the following review helpful. Great for Vintage Collectors.By Martin AndradeThis is a good guide in that is includes cards printed through 2001, but not any past that. Card companies now create so many unique collectibles now, creating a complete list of cards and players would be about impossible. This book is pretty easy to use, and has already helped me find several unusual and rare cards to help complete a few player collections. I would recommend this guide instead of the subsequent editions for any vintage collector.0 of 0 people found the following review helpful. Indispensable for collecting autographsBy Michael BeneventoThis book is very handy for search one's collection of baseball cards to locate cards on specific players. Wish they continued publishing the book every few years.0 of 0 people found the following review helpful. Baseball cards listBy ransraceNeeded to find all of Cleveland Indians baseball cards very helpful
