## Beckett Football Card Price Guide 2015

**From Beckett Pubns : Beckett Football Card Price Guide 2015** before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Football Card Price Guide 2015:

0 of 0 people found the following review helpful. The Only Game in TownBy CustomerIf you have a large collection, and I do, these annuals are an excellent reference. Beckett's magazines have become less and less of a source that I can use as I have a lot of off brands and deceased brands of cards that are no longer listed. Since I stopped buying newer cards a few years back, the magazine is practically useless to me. If there were a decent alternative source, I would use it, but there is not. The pages are newsprint, so highlighting bleeds through and notes should be in ballpoint. The pages also tear easily, so you have to be very gentle with them. The binding remains good and I have 25 year old Beckett price guides that remain crisp with no page separation at all. They will last if you treat them well. Do not let children near them. The books continue to be my primary tool, although I only get them every 4 - 5 years as prices generally don't change very quickly. They help me track values on the Hall of Fame members in my collection. I wonder how

long before Beckett starts to cheapen this reference down. 2 of 2 people found the following review helpful. Beckett Has It All! By OzI needed a comprehensive price guide for my football cards and this is the perfect reference. I have regional cards as well as Topps going back to the 50's. This price guide has it all. 0 of 0 people found the following review helpful. Literally a worthless periodical. What do the 2 columns ... By JR S. Literally a worthless periodical. What do the 2 columns of pricing mean? What condition do they correlate to? With clueless non-existent customer service don't expect to find out. YOU BURNED ME ONCE BECKETT, NEVER AGAIN!

You hold in your hands the most authoritative and widely used football card price guide available. For 30 years now, Beckett has published this must-have reference book filled with extensive lists and prices for virtually every football card set ever made.
