One of the most popular books we publish, the Graded Card Price Guide is the choice of collectors wanting to know the values of their encapsulated cards. Learn how the grading process works plus the things you need to know when buying. This book includes vintage and modern day graded card pricing for Baseball, Football, Basketball, Hockey and other sports, too. The continued growth in the graded card segment of the industry requires knowledge of the

market, and this book provides that and plenty more!
