Beckett Hockey Card Price Guide

From Brand: Beckett Media : Beckett Hockey Card Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Hockey Card Price Guide:

If you don't need month-to-month pricing then this guide is all you really need. It is very well organized too.The Not So Good: the type font appears to be 1pt or smaller... Seriously, my eyesight is quite good, however, I found the font to be on the small size. I realise that there is a large number of cards to list, however they have saved money by reducing the number of pages in the guide resulting in a font that (IMO) is difficult to read.0 of 0 people found the following review helpful. Excellent Hockey Price GuideBy Joe SchwennThis 2013 Guide is perfect for a guy like me who collects jersey/auto cards.I can now find players that I couldn't find in monthly ones.I love it!. Highly recommended for anyone who is a big collector like me.1 of 1 people found the following review helpful. grab your magnifying glassBy CustomerThe Book is fine except the print is so small that I

now have to find one of the pages that magnifies in order for my husband to even read it.
