James Beckett : Beckett Racing Price Guide #12 (Beckett Racing Collectibles Price Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Beckett Racing Price Guide #12 (Beckett Racing Collectibles Price Guide):

0 of 0 people found the following review helpful. Beckett Racing Annual IssueBy T. ParreyThe book itself is excellent, very comprehensive in it's coverage. It covers many, many years of collector cards. The diecast section is a must have, particularly for pricing the older diecast and the newest up to about March or April 2007.I received the book in mint condition, still in the factory plastic wrap.Overall, excellent.
