Big Book of Pocket Knives: Identification Values

Ron Stewart, Roy Ritchie : Big Book of Pocket Knives: Identification Values before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Book of Pocket Knives: Identification Values:

35 of 36 people found the following review helpful. Big book of old knife catalogsBy Arthur A. Van HeckeI bought this book based on another customer review. About the only pictures are on the front cover. This book is NOTHING more than various knife ads and catalogs from long past. There is no related history or collector insights. Indeed there is very little original writing in this book at all. Major modern manufacturers are not covered (Buck for instance) and like I said, there is very little additional information other than the catalog reprints. Knife values are kind of strange. My recent sales are as much as 4 times what is listed. Most are 2-3 times what is listed. I have noticed that other knife books are a little low also. There is no real help with identification in this book either. The only thing I liked about this book was the cover.0 of 0 people found the following review helpful. Not what I expected. I am starting to collect ...By Robert OsthuesNot what I expected. I am starting to collect single blade pocket knives, was hoping the book would have sections by type, style of knife. It does not.0 of 0 people found the following review helpful. Five StarsBy

Big Book of Pocket Knives enables collectors to examine knife and cutlery products from more than 20 cutlery companies. Hundreds of illustrations are included. Companies and brands represented include Belknap, Case, Winchester, Remington, Robeson, Northfield, Imperial, John Primble, Russell, Shapleigh Diamond Edge, Schrade, and Marble. A brief history is included for most of the companies. Readers are offered a grasp of the direction the company was headed, what its market targets were, and the variety of its product designs. 2000 values. AUTHOR BIO: Ron Stewart is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Roy Ritchie published one of the earliest manuals for collectors, the Kentucky Knife Traders Manual. They went on to publish the bestselling Standard Knife Collector's Guide, then others like Big Book of Pocket Knives, Cattaraugus Cutlery Company, and Standard Guide to Razors. REVIEW: This book is a cut above the rest, with its full-size, detailed drawings of some of the most collectible pocket knives on the market today. It is written by noted expert Ron Stewart.

This extensive guide covers some 60 pocket knife companies using Black White pictures and original catalog reprints. All of the covered companies history is detailed in the first part of the guide along with an overall collectibility rating. Many of these companies are not covered elsewhere so general collectors would be well advised to take a look at this book. About the Author Ron Stewart is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Roy Ritchie published one of the earliest manuals for collectors, the Kentucky Knife Traders Manual.
