It seems complicated when you read the instructions, but I'm sure that if you had the actual cords in your hands you just might be able to make something. It's very comprehensive and well written.0 of 0 people found the following review helpful. This is a great book! I love the projects and I understand ...By HumitaThis is a great book! I love the projects and I understand the instructions well!Lots of color pictures to show instructions!!!0 of 0 people found the following review helpful. Astounding projects!By RLPI am astounded by these beautiful project ideas and thoroughness of explanations in how to's.

From colorful statement necklaces and bracelets to anklets and cuffs adorned with beautiful beads and stones, the 20 stunning pieces in Bohemian Macram may look complicated but they actually have a surprisingly simple construction. Full-color step-by-step images and comprehensive instructions ensure that even first-time crafters of macram jewelry

will achieve impressive, attention-grabbing results.

About the Author Gwenaél Petiot was raised in Aix-en-Provence, France. In 2007, he traveled to South America, where he was introduced to macramé, the craft that would become his passion. Soon after his return to France, Gwenaél debuted his pieces on the catwalk as part of the spring 2012 haute couture collection for the French designer Anne Valérie Hash, creating a media sensation with his designs. To date, Gwenaél has produced many macramé designs under Papacho Creations and sells these at handmade markets, online, and at retail. He has also been commissioned to create jewelry accessories for the well-known Cirque du Soleil. He currently lives in Paris.
