Keepers of the Spring: Reclaiming Our Water in an Age of Globalization (Hardback) - Common

(author) Fred Pearce : Keepers of the Spring: Reclaiming Our Water in an Age of Globalization (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Keepers of the Spring: Reclaiming Our Water in an Age of Globalization (Hardback) - Common:

The solution to our water problems may not lie in new technologies - though they will play a role - but in recovering ancient traditions, using water more efficiently, and better understanding local hydrology. Searches for alternatives to mega-engineering projects.
