Vince Staten, Liz Serrano : Kentucky Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff,2nd Edition(Curiosities Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kentucky Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff,2nd Edition(Curiosities Series):

0 of 0 people found the following review helpful. Quirky? yepBy Nicole McKinneyPretty good for the untold stories

of Kentucky curiosities. Definitely 'editorial' in style, don't look here for just the cold hard facts. Some of the entries are dated- so as time goes by, the less permanent curiosities are vanishing! But still worth a quick read.

Did you know that it is illegal to sell alcohol in Bourbon County, but drinkers are free to down a few in Christian County? This and much more essential Kentucky know-how awaits within the pages of this humorous guide. Hundreds of stories are accompanied by addresses and phone numbers for the brave, so you yourself can meet the woman who collects pictures of swirling toilet seats, visit the store that sells more Florida souvenirs than any gift shop not in Florida, and race an outhouse on wheels during the Great Outhouse Blowout!

From the Back Cover Kentucky Curiosities is your round-trip ticket to the wildest, wackiest, most outrageous people, places, and things the Bluegrass State has to offer.
