Kewpie for Collectors

John Axe : Kewpie for Collectors before purchasing it in order to gage whether or not it would be worth my time, and all praised Kewpie for Collectors:

0 of 0 people found the following review helpful. Five StarsBy CustomerGreat condition and pictures!0 of 0 people found the following review helpful. Informational and cute.By Priscilla ZigGreat book - informational and cute.0 of 0 people found the following review helpful. Kewpie for CollectorsBy Janice DillerLike new, thanks. All the information in the book is very useful and John Axe is very thorough in his descriptions.

Conceived and given life by artist Rose O'Neill, the beguiling Kewpie is one of the most recognized and loved creatures of modern times. In this book, a wealth of Kewpie collectibles come alive as author John Axe guides collectors through the origins of this beloved winged creature and how this translated into dolls, art, figurines and much more! Included in this story, is the warm partnership between Joseph Kallus and Rose O'Neill and the role Kallus played in conveying O'Neill's two-dimensional original artwork of Kewpies into three-dimensional dolls and

figurines. This collector's reference details many aspects of the creative process including the numerous forms and materials through photos and never-before-published illustrations. As they celebrate their 90th anniversary, see Kewpies come to life and the magic they have in capturing our hearts! "Kewpie" is a registered trademark, used under license with Jesco Imports Inc.
