Kovels' American Antiques, 1750-1900

Ralph Kovel, Terry Kovel : Kovels' American Antiques, 1750-1900 before purchasing it in order to gage whether or not it would be worth my time, and all praised Kovels' American Antiques, 1750-1900:

0 of 0 people found the following review helpful. Five StarsBy SadiePerfect. Packaged tighter than Fort Knox!0 of 0 people found the following review helpful. Four StarsBy Madeline K. OliverGood job, just as Kovel always does.0 of 0 people found the following review helpful. Kovel's at their best.By H. J. HorvitzThe Kovel's outdid themselves with American Antiques 1750-1900. It is a must for all American collectors. The breadth of coverage is amazing. A beautiful book full of new information. I found the illustrations exciting, by far the best they have done. All who enjoy reading and learning about Americana will love it.

Kovels' American Antiques is an indispensable tool for all collectors, history buffs, and anyone who wants to know how to recognize, evaluate, purchase and care for antiques. In a stunning package that showcases the breadth of

expertise that defines their career, the Kovels have written an essential book about America's historical past for today's "new century" marketplace. Focuses on the antiques made or used in America from 1750-1900 that appeal to today's collector. Reflects all the new methods of dating and evaluating American artifacts. Covers 18th- and 19th-century pottery and porcelain, glass, furniture, silver, clocks, jewelry, and other decorative arts. Includes lists of the most important designers and factories with dates, locations, and marks PLUS a bibliography for further reading. Stories of discoveries, tips on care, and warnings about fakes and fantasy items.

From the Inside Flap: Kovels' American Antiques is an indispensable tool for all collectors, history buffs, and anyone who wants to know how to recognize, evaluate, purchase and care for antiques. In a stunning package that showcases the breadth of expertise that defines their career, the Kovels have written an essential book about America's historical past for today's "new century" marketplace. Focuses on the antiques made or used in America from 1750-1900 that appeal to today's collector. Reflects all the new methods of dating and evaluating American artifacts. Covers 18th- and 19th-century pottery and porcelain, glass, furniture, silver, clocks, jewelry, and other decorative arts.
