You get 10 different designs, 2 copies of each, and red envelopes to stuff them in and share them with all of your friends. On the back, there is a history of Krampus, so you can spread the lore with anyone you send them to. Excellent, unique holiday cards.2 of 2 people found the following review helpful. Five StarsBy Optimus PrimeAs described. These cards will surely haunt my friends throughout the Holiday season. Merry Christmas ya filthy animals!0 of 0 people found the following review helpful. an amazing amount of people didn't get the humor/spiritBy Toots BauerYou have to be careful who you send these to...an amazing amount of people didn't get

the humor/spirit.

The second deluxe full-color set of creepy Krampus greeting cards (reproduced from scarce vintage designs) contains 20 high-quality cards with blank interiors two each of 10 different images and 21 red envelopes enclosed in a keepsake decorative tin box. Send Krampus cards to naughty family members and friends, and make Christmas fun again. In the early Christmas folklore of Europe, Krampus was St. Nikolaus's dark servant a hairy, horned, supernatural beast whose pointed ears and long, slithering tongue gave misbehavers the creeps! Whereas St. Nikolaus rewarded children who'd been good all year with small gifts and treats, those who had behaved badly were reprimanded by Krampus. Spruce up your Christmas this season and give the gift of Krampus.
