Perfect for scaring the nieces and nephews. Or just annoying that relative who goes overboard for that other Christmas guy.0 of 0 people found the following review helpful. Devilish greeting cards featuring the Krampus, packaged in a deluxe metal tin. In the early Christmas traditions of Europe, the Krampus was St. Nikolaus' dark servant-a hairy, horned, supernatural beast whose pointed ears and long, slithering tongue gave misbehavers the creeps! This collection of vintage Krampus images includes 20 cards --two each of 10 different designs. Krampus Greeting Cards are the perfect gift for a naughty friend or for yourself. The set contains 20 full color cards and 21 red envelopes, packaged inside a metal tin decorated with a striking image of the Krampus. Gruss vom Krampus! Greetings from Krampus!
