## Krampus Sticker Book #2

**Monte Beauchamp : Krampus Sticker Book #2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Krampus Sticker Book #2:

The registration and alignment of the images with the die-cutting was off with some of the images the edge detail would be lost when the sticker is separated from the page. This was disappointing. However the images are sufficiently disturbing to make any recipient do a double take or study carefully the sticker that will be attached to a XMAS card or gift.0 of 0 people found the following review helpful. Beware KrampusBy Robert J. RoweThese are great stickers for that someone in your life that should behave but do not know the Krampus legend. The stickers can be used anywhere- car windows, Christmas cards, presents etc.0 of 0 people found the following review helpful. Five StarsBy Elizabeth RipleyGreat Krampus stickers!

The second full-color large-format sticker book of creepy and compelling Krampus scenes culled from early 20th-century postcards. Seventy-two striking, removable stickers that will delight good boys and girls and frighten the bad. In the early Christmas folklore of Europe, Krampus was St. Nikolaus' dark servanta hairy, horned, supernatural beast whose pointed ears and long, slithering tongue gave misbehavers the creeps! Whereas St. Nickolaus would reward children who'd been good all year with small gifts and treats, those who had behaved badly were reprimanded by Krampus! A perfect stocking stuffer.

...an arresting terror! --Rick Kogan, Chicago Tribune Magazine
