Krause-Minkus Standard Catalog of Israel Stamps (Global Stamp Series)

From Krause Publications : Krause-Minkus Standard Catalog of Israel Stamps (Global Stamp Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Krause-Minkus Standard Catalog of Israel Stamps (Global Stamp Series):

4 of 4 people found the following review helpful. Pro catalog at a bargain priceBy Geezer's GalThe Krause-Minkus catalog is a treat. Many tips for the beginner and many details for those more involved. It is comprehensive, illustrated and in chronological order. Is it as complete as the famed Scott's catalog? No, but for a savings of literally hundreds of dollars between the two, this is a great bargain with little difference. Though the book is a few years old, it is still the

most recent; and who really expects to buy or sell stamps at their published prices anyway? 1 of 1 people found the following review helpful. Five Stars By DAVID SALOVEY Very good catalogue. Should be brought up to date. 0 of 1 people found the following review helpful. Great. By Allan Avery Got me more up to date! Not as good as Bale, but enough to have newer issues. My Bale catalog is from 1992, and the new ones are very expensive.

Collectors of Israel stamps now have a one-stop reference source in the new Krause-Minkus Standard Catalog of Israel Stamps. The first new Israel stamp catalog in more than a decade lists more than 1,500 regular, commemorative and airmail stamps in chronological order. Prices for used and unused issues, in the most collectible grades are also featured. Black and white photos make stamp identification fast and easy. There's a table of tabs for Israel specialty collectors included as well. Handy, small-size format makes this volume easy to carry and reference when collecting. It represents the first in a new series of Krause-Minkus catalogs for countries of the world. -More than 1,500 regular, commemorative and airmail stamps are listed in chronological order. -Prices listed in used and unused grades to help determine value. -Photos make stamp identification fast and easy.
