Le Mans Cathedral Stained Glass Windows Postcards: 24 Full-Color Cards (Card Books)

Eugne Hucher : Le Mans Cathedral Stained Glass Windows Postcards: 24 Full-Color Cards (Card Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised Le Mans Cathedral Stained Glass Windows Postcards: 24 Full-Color Cards (Card Books):

The magnificent Romanesque-Gothic Cathedral of Saint-Julien in Le Mans, an ancient town in northwestern France, is famous for its glorious stained glass windows, which date from the 13th century. Details from the finest windows in the cathedral have been superbly reproduced in this collection of 24 full-color postcards, reprinted from a rare volume

published in Paris in 1864.
