Looking back I think it's a little odd that everyone gave the book 5 stars? The book does have very nice pictures, however, I was hoping for more substantial information for learning about Limoges china and area which I thought the book was missing. If you are a designer and interested in setting up a display of Limoges china then this book would be very helpful.0 of 0 people found the following review helpful. Highly recommend this.

Mariette's Back toBy Mariette VedderAn absolute MUST have book for the serious collector of French Limoges porcelain!It really educates you along the way and it is a treasure trove.Highly recommend this.Mariette's Back to Basics0 of 0 people found the following review helpful. Five StarsBy GregExcellent book not only for settings but identification and pricing

Whether the name Limoges brings to mind a region in France, the city of Limoges, or the factories that produce fine Limoges porcelain, a picture of romance, beauty, and fabulous artisans no doubt follows. This stunningly photographed book is dedicated to helping porcelain connoisseurs from the novice to the advanced learn how to identify, affordably collect, and decorate with hand-painted Limoges porcelain. Shown are vases, jardinières, dinnerware, coffee and chocolate pots, cake plates, punch bowls, and more. This is the first Limoges collectors' book with dedicated sections on tea accoutrements, white and gold wedding band porcelain, and porcelain jewelry with hand-painted Limoges art. Going room by room, the author provides fabulous decorating ideas, from accessorizing with a single piece of Limoges to displaying an entire collection. Included are descriptions, measurements, values, history, collector hints, and a concise alphabetical mark guide. A truly inspirational book for collectors and designers alike.

About the Author Debby DuBay first noticed Limoges porcelain while traveling in Europe in the mid 1970s. After retiring from the U.S. Air Force in 1995, she opened Limoges Antiques Shop in Andover, Massachusetts, and has become nationally recognized for her taste and expertise.
