Los Angeles Visual Notebook: Apricot Orange

From Sime Books : Los Angeles Visual Notebook: Apricot Orange before purchasing it in order to gage whether or not it would be worth my time, and all praised Los Angeles Visual Notebook: Apricot Orange:

Much more than a simple journal, this beautiful line of Visual Notebooks is a hybrid product with innovative features, the likes of which is unmatched on the market today. Part journal, part sketchbook, and part tourist guide to Los Angeles, these innovative notebooks include stunning photographs, a city map, metro guide, and fun factoids about the city's landmarks. These pocket-size, 5 x 7-inch journals are available in classic Black and five other vibrant color

choices. Each notebook consists of 160 pages, alternating between blank pages for notes and thoughts and pages featuring artistic images, both large and small, of LA's sights and attractions. The 60-plus images range from black-and-white line sketches to colorful original photographs, each accompanied by intriguing and little-known facts. Each rounded-corner notebook also includes an internal pocket for tickets and mementos, as well as a complementary color bookmark ribbon and elastic closure, making it the perfect packable companion for trendy travelers.

About the AuthorSime is a photo library specializing in high-quality travel stock photography. Our tightly edited, exclusive collection of travel images contains landscapes, cityscapes, food drink, lifestyle, and nature photography. We believe that quality and creativity are of paramount importance in stock photography, and we are proud to work with outstanding photographers who share our values and each of whom brings a distinctive contemporary style to our image library.
