Not as much new info as in previous editions but OKBy Old Georgia GeekI have some earlier editions that included more info; did not find as much updating of new designs and new photos as expected in this last edition as in some of the earlier editions. I guess because the market was crashing. I was not looking for values; bought for ID purposes of dolls produced in 2007-2010 and so was disappointed. But also understand those were difficult years for everyone. And the publisher did not survive so no modern (2015-16)
