Five StarsBy CustomerLoved it glad that I found it I am really pleased thanks0 of 0 people found the following review helpful. **Made of Mud Potteries**By Robert KoughHave looked at the book frequently. Was pleased with the purchase. I continue to look for books with information on Pennsylvania pottery

Documents the high-fired utilitarian pottery in an 11-county area. In addition to an overview, chapters are devoted to the makers and their ware from each county. An appendix lists all the potters, their periods of activity, and the precise stamps they used and when. This new edition has been revised with information gathered since it first appeared in

1977.

About the Author Jeannette Lasansky is a lecturer and a research associate at Bucknell University. She is also director of the Union County Oral Traditions Projects and recipient of ten grants for research, publication, and multimedia shows. She is a graduate of Harpur College and the University of Iowa.
