Over 450 of Marina Bulgari's sophisticated and contemporary jewelry designs are brought together in this unique book. Since her emergence as a jewelry designer in 1978, the "Marina B" signature has meant bold and beautiful design. Her hands, more than any others, shaped the renaissance of haute design jewelry at the end of the twentieth century. Bulgari draws back the curtains and invites readers into the international fashion spotlight where she lives and works. This is a visually stunning process book, including pages that contain both personal memories and neverbeforeseen original design sketches that reveal Bulgari's greatest personal luxury in life: creativity. The pieces featured here include elegant chokers, fantastic tiaras, and sparkling bracelets and necklaces. What shines brightest is Bulgari's passion as she works a seemingly inexhaustible vein of Marina B style.
