**Mary Kay Barker : Mary Barker's Complete Collection Home Interior's/ Homco Denim Days 2nd Edition**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Mary Barker's Complete Collection Home Interior's/ Homco Denim Days 2nd Edition:

0 of 0 people found the following review helpful. UsefulBy steshe865It is the only guide book I could find for this collection. The way the information is listed is a little confusing and takes some thinking and cross-referencing to understand. And, the copy I received had a number of pictures that were blurred but could still be used as an identification reference. But, considering that this book is apparently the only one published for a collector series that is no longer made, it is useful and worth the price.0 of 0 people found the following review helpful. Five StarsBy ChickadeeThe item was received as advertised and was given as a gift.3 of 3 people found the following review helpful. denim days bookBy Brenda YounThis was for my mom, she collects denim days. She loves the book. Now she can see what to look for next.

A complete reference guide to Home Interior's/ Homco Denim Days. Includes all 72 items. A must have for collectors and sellers.
