Beautiful Women and Children!By Victorian LadyMary Cassatt's genius and vibrant style is represented wonderfully in this quality book of glossy cards. Mothers, grandmothers, and women who appreciate Mary Cassatt's special painted world of women and children, should enjoy this as a gift, or just a card with a friendly or loving note from time to time. What an affordable way to get a great array of Mary Cassatt paintings!2 of 2 people found the following review helpful. Mary CassattBy William J., BlyDelightful postcards depicting the art of American Mary Cassatt. I have seen many of her paintings in museums and these cards are true to color and enjoyment. Highly recommended for the art enthusiast, as am I.3 of 3 people found the following review helpful. Features a variety of Cassatt's artwork!By wawadehutThese cards are perfect for seeing up close the artwork

of Mary Cassatt. The collection includes most of her most iconic pieces of artwork and features a variety of her styles (impressionist, post-impressionist, and Japanese print). My only minor complaint is the serrated edges left on the cards after removing them from the book, however I easily trimmed them off with a paper cutter, so not a big deal.

Beautifully printed collection displays noted American Impressionist's bold realism and fresh, original style. Reproductions of 24 of her finest paintings include Mother Combing Her Child's Hair, Mother's Kiss, Reine Lefebvre Holding a Nude Baby, Little Girl in a Blue Armchair, and others. Notes on each exquisite work of art.
