Great photo of flags and antique Americana, but I would like the history or story of the antique pieces. 0 of 0 people found the following review helpful. Five Stars By Renee Wertman I love all her books 0 of 0 people found the following review helpful. Mary Emmerling's Flags By Up North Girl I always like Mary's approach to subjects---have several books of hers in this smaller format hardback. This one has stunning flag photos. I bring it out to display for flag day 4th of July.

Mary Emmerling presents a fun, moving, joyous, and colorful celebration of the symbol that represents America at its best. In a style both charming and unabashedly patriotic, Mary shows how the Stars and Stripes turns up on garden fences, Navajo rugs, quilts, pottery, pillows, and other pieces of authentic Americana. Full-color photographs.
