Antiques and collectibles are more popular than ever and shows like the immensely popular "Antiques Roadshow" on PBS demonstrate the public's interest in information about the value of collectibles and art. The world of teddy bears collectibles are no exception. Supplying valuable information, as well as being a handsome companion to any antique bears collection, Teddy Bears will no doubt become just as collectible as the treasures it chronicles. Containing over 50 color photographs of the life-like miniature art, housed in a durable, attractive CD box-set-sized case, the three-volume set offers collecting guidance, value ratings and insightful information about the making of the most collectible teddy bears available. Volume One - Antique Bears - Covers the full sweep of the history of miniaturized teddy bears, including the work of such distinguished manufacturers as Stieff and Michtom Volume Two - Artists'

Bears - Presents the incomparably crafted work of the finest contemporary bear artists. Volume Three - Bear
Ephemera - Includes lovable and cuddly bear figures which decorate miniature collectibles.
