I collect astronauts who have walked on the moon, hi-tech business people such as Bill Gates, movie actors like Tom Hanks and baseball sluggers like Sammy

Sousa and Mark McGuire. They are in this books with thousands more. It is well organized and I liked the extra features of sample letters and questions answers about autograph collecting. It is a very good reference for autograph collectors.22 of 23 people found the following review helpful. THE ULTIMATE IN ADDRESS BOOKSBy CHRISTIN ADAMSI HAVE READ THIS BOOK AND IT IS TERRIFIC.
