Ian McLean, Gordon Bennett : The Art of Gordon Bennett before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Gordon Bennett:

I love the involvement of the artist in the publication. He is such an outstanding and academic painter yet there are few publications on his work. This is the best with great images and in depth analysis. You can't buy this book in Australia easily so I was glad to procure a copy after the British library had finished with it.
