The Art of the Japanese Book

Jack Hillier : The Art of the Japanese Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of the Japanese Book:

Complete two volume set in slipcase. Each of these books are clean and bright, with no creases, no tears, and no markings. The dustjacket of volume I has a very small tear to the upper spine, otherwise they're also in excellent condition; clean bright, with no creases or tears. The slipcase is in great shape, no tears or soiling or bumps.
