The Art Students' League of New York

Andrei Volgin : The Art Students' League of New York before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art Students' League of New York:

3 of 3 people found the following review helpful. Unusual ArtifactBy R. PielemeierNot much material on this wonderful institution. This was a copy of the orriginal charter. There is not commentary of additional research in it. Wish there was more written. Still a find. Vendor delivery quicking good price perfect.

This Elibron Classics book is a facsimile reprint of a 1895 edition published in New York.
