The Batman Vault: A Museum-in-a-Book with Rare Collectibles from the Batcave

Matthew Manning, Robert Greenberger : The Batman Vault: A Museum-in-a-Book with Rare Collectibles from the Batcave before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Batman Vault: A Museum-in-a-Book with Rare Collectibles from the Batcave:

0 of 0 people found the following review helpful. Great for a Batman FanBy CassandraThis is a fantastic compendium for both the hardcore Batman fan and the casual fan who's just getting into the history of the comics. The collectibles are fun, though somewhat flimsy and probably not intended for actual use, merely collection status. I really dig this book regardless though.0 of 0 people found the following review helpful. very fun way to learn history of BatmanBy C. GregoryIncludes a lot of removable goodies that are inserted in plastic pages (very sturdy)...the information showcases the evolution of batman through the many incarnations. Great way to learn more about Batman or to get better acquainted (if you are more of a die hard fan)0 of 0 people found the following review helpful. Book I'll never get tired of.By LaurenI love this book, I bought many more after this one. I love all the added items that you can take out of the book, in which I am going to frame some for my house, really great book that I never get tired of looking at.

Jump in the Batmobile and get ready for a wild ride this is a complete and in-depth look at the development of America's most popular super hero. From his vigilante days to his television stardom, from Dark Knight to mentor, this memorabilia- and anecdote-packed collection follows the masked man on his crime-fighting career, and charts the history of the comics and movies that bear his name. How can one man be at times so vengeful, compassionate, determined, inspirational, and a true hero when he doesn't possess special powers? Over the decades since his first appearance in the 1939, Batman and his alter-ego Bruce Wayne have thrilled readers with their adventures, close calls, dramatic storylines, and even death! Ultimately, the history of Batman is the history of America from the twentieth

century to today. With removable artifacts and never-before-seen sketches, notes, and plans, *The Batman Vault* is the perfect gift for the genuine fan of all ages.

San Francisco Book , January 2010 at once a primer on the character, a retrospective on his history in pop culture, and an impressive assemblage of timeless images, stories, and reproductions of collectibles.
