This book will teach you the basic fundamentals of buying scrap gold and silver. Written by V Alexander Cullen a retired Pawnbroker the author of "Pawnbrokers Handbook" and "Gold and Silver Scrap Dealers Handbook" with over twenty-five years of experience buying scrap precious metals. The current prices of precious metals are off the chart and tremendous profits are within the reach of anyone willing to make an investment in some simple tools and a little training. This book will show you what to buy, the tools you need and the basic skills necessary to buy scrap gold and silver successfully. It also explains how to deal with the many gemstones and diamonds that are mounted in some jewelry. One small mistake in this business can easily cover the cost of this book.
