This book gave me the confidence to accurately identify a model from the 1950's.For watches before the 70's, I would look towards this book. Otherwise, read the "Rolex Report" for a good value to learn about newer models.0 of 0 people found the following review helpful. Five

StarsBy Jerry C. WuGood info0 of 3 people found the following review helpful. An authoritative guide to Rolex timepiecesBy A CustomerThis book is a "must-have" for Rolex collectors or anyone interested in Rolex watches. Beautifully illustrated and with lots of detailed information, the book chronicles the Rolex timepieces from their beginning to today.

The name of Rolex is recognized around the world. It has become an icon of beauty, quality, accuracy, style, and taste. While there are other fine manufacturers of timepieces, none has reached this pinnacle of public respect and acclaim. The watches produced by Rolex over the last 90 years are celebrated in this lavishly illustrated new volume. Mssrs. Dowling and Hess, acknowledged Rolex authorities, have captured their beauty in full color photography. They accompany the most thorough and extensive history ever written of the company. Information for collectors and current market values of the watches makes this a truly useful volume and one that will be cherished by watch lovers around the world., 392 photos , 9" x 12", Price Guide
