The Big Book of Ford Tractors: The Complete Model-by-Model Encyclopedia...Plus Classic Toys, Brochures, and Collectibles

Harold Brock, Robert Pripps : The Big Book of Ford Tractors: The Complete Model-by-Model Encyclopedia...Plus Classic Toys, Brochures, and Collectibles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Ford Tractors: The Complete Model-by-Model Encyclopedia...Plus Classic Toys, Brochures, and Collectibles:

0 of 0 people found the following review helpful. I would highly recommend it!By JoyI ordered The Big Book of Ford Tractors for my brother who has several Ford tractor sand wanted to know more of the history of Ford tractors. He said he learned a lot from the book. Therefore, I would highly recommend it!0 of 0 people found the following review

helpful. Good Ford book By Gdubbs As advertised. Very informative book

This encyclopedia provides the most detailed and complete account ever given of Ford tractors, from the earliest Fordsons to the Ford-Fergusons, the Ford N Series, and the Ford "world" tractors manufactured into the 1970s. Amply illustrated, the book also offers extensive information on the numerous options and accessories, implements and variations that came out of Dearborn, Sherman Bros., and the great Funk Bros. hotrod conversions that could make each of these popular machines utterly unique. Written and compiled by the chief engineer of the Ford N Series tractors and the world's best-known Ford tractor historian, this encyclopedia is the ultimate one-stop resource for anyone with an interest in Ford tractors.

www.tractordata.com, January 2007 This book is an excellent overview of Ford tractor models. Farm Trader (New Zealand), September 2007 The Big Book of Ford Tractors is a richly illustrated, veritable encyclopedia of Henry Ford's life. The book explores in vivid detail the monumental impact Ford made on the world of agriculture and is a highly inspirational and fascinating read. This is the best one-stop resource for anyone with even the vaguest interest in Ford tractors.
