The Big Book of Hooked Rugs: 1950-1980s

Jessie A Turbayne : The Big Book of Hooked Rugs: 1950-1980s before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Hooked Rugs: 1950-1980s:

0 of 0 people found the following review helpful. Truly a Big Book of Hooked RugsBy rosyNicely laid out by subject, the book runs the gamut of rugs. Great resource for older rug designs. Only problem is the binding which isn't sturdy enough for all the pages. Still, well worth it if you like vintage hooked rugs.0 of 0 people found the following review helpful. Five StarsBy BonnieWonderful1 of 1 people found the following review helpful. Great photos of hooked rugsBy LeahGreat vintage photos of hooked rugs back to the 1950's. many of the patterns are still available and this book gives many ideas for coloration.

Using over 450 vintage color photographs, this handsome album chronicles the pivotal years of rug hooking—from the 1950s through the mid-1980s. During this period, both women and men were enjoying the craft and hooking rugs in record numbers. From inside the halls of rug exhibits, readers will enjoy viewing the best that hookers of this era created. Included are lush floral motifs, Oriental-inspired patterns, intricate geometric designs, childhood themes, animal portraits, scenic landscapes, and so much more. A collector's paradise, an interior decorator's dream, a rug hooker's heaven, these meticulously crafted rugs—available at auctions, antiques and collectibles shows, estate and tag sales, flea markets, and on-line—are highly sought after today. Also included is carefully compiled information about the most popular hooked rug pattern makers of the day and those that started "something new."

About the Author Jessie Turbayne is an internationally recognized authority on hooked rugs and author of five highly regarded books valued by contemporary rug hookers as well as collectors. A resident of Massachusetts, she has been buying and selling hooked rugs and specializing in conservation and restoration for over thirty years.
