(Download) The Big Book of Massey Tractors: An Album of Favorite Farm Tractors from 1900-1970

## **The Big Book of Massey Tractors: An Album of Favorite Farm Tractors from 1900-1970**

**Robert N. Pripps : The Big Book of Massey Tractors: An Album of Favorite Farm Tractors from 1900-1970** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Massey Tractors: An Album of Favorite Farm Tractors from 1900-1970:

0 of 0 people found the following review helpful. Product was as expected.By 30closedcabDescription of condition of the ordered book was accurate, The book is out of print so I considered myself lucky to find one in almost like new condition. My father's tractor is featured in the book, so I want a copy of the book to go with that tractor when it was auctioned. The book itself is very interesting and informative, me not being a tractor expert. I do have another copy that was my fathers, and from time to time look at it since it is so interesting. Full of little tidbits of info on the

background of each tractor featured.0 of 0 people found the following review helpful. Perfect gift!By KimberlyBought for my father for his birthday, and he loved it! Wasn't aware there was an inscription inside of the cover, but book was in excellent condition. Very satisfied.0 of 0 people found the following review helpful. Good for the MH collector, could be better for the MF collectorBy Chuck LyonsWish it had more on the company after the Massey-Harris/Ferguson merger, but that comes pretty late in the overall history of the company.

This is the first comprehensive history of one of the largest farm tractor manufacturers of all time: Massey-Harris-Ferguson. The merged company remains one of the world's largest farm-equipment manufacturers, with tractors sold around the globe. Besides covering the machines themselves, "The Big Book of Massey Tractors" also details the history of Canadian agriculture. Collectibles, sales memorabilia, ads from old farm magazines, and historic black-and-white photos complete this look at this famous manufacturer.

About the AuthorRobert N. Pripps and Andrew Morland have teamed up on "Vintage Ford Tractors," "The Field Guide to Vintage Farm Tractors," "The Big Book of Farm Tractors," and "The Big Book of Caterpillar."
