(Pdf free) The Bottle Book: A Comprehensive Guide to Historic, Embossed Medicine Bottles

## **The Bottle Book: A Comprehensive Guide to Historic, Embossed Medicine Bottles**

**Richard E. Fike : The Bottle Book: A Comprehensive Guide to Historic, Embossed Medicine Bottles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Bottle Book: A Comprehensive Guide to Historic, Embossed Medicine Bottles:

0 of 1 people found the following review helpful. Four Stars By Maryits good  
0 of 0 people found the following review helpful. This is one of the best books on embossed medicine bottles there is By Bibliophile  
This is one of the best books on embossed medicine bottles there is. Not fancy and rather pricey but if you are interested in more than just the bottle as a collector item then this book delivers.  
25 of 26 people found the following review helpful. Fantastic and Scientific approach to antique medicine bottle  
By A Customer  
This book is beyond belief. It is authoritative and accurate to the extreme. It includes histories of the main medicine companies of the nineteenth century, bottle and medicine histories, in-depth classification and description of each bottle and its variants (color, height, shape, neck type, embossing, etc.), and clear pictures or helpful drawings of the specimen. A definite must-have for the serious collector and hobbyist. Hats-off to Mr. Fike.
