This is the fifth and final volume of Dolf Goldsmiths Browning Machine Gun series. Volume V: Dolfs Notebook ties it all together with hints and tips for working on Bronwing machine guns, all culled from Dolfs 70 years of experience and experimentation with the weapons in question. And with over 300 pages and nearly 500 illustrations, many customers suggest buying two copies; one for your reading shelf... and one to get dirty with in the workshop. 307 pages, nearly 500 illustrations
